

# Quorum Sense - Goal Setting Framework

Note: Something is better than nothing! Get something down and you can always come back and refine things later... if you get stuck just move on.

Use the categories below (or create your own) and create one or two sets of goals for each	What's important to you?	Why is it important?	Short term goal <i>(days, weeks, months)</i>	Long term goal <i>(years, decades)</i>	Overall Goal
	<i>(combine all goals into a single phrase)</i>				
<b>People</b>  <i>(family, staff, community, customers etc)</i>					
<b>Money</b>  <i>(cash, income, assets, investments etc)</i>	Be debt free	Sense of freedom	>\$50K of net farm profit goes to paying off debt	Debt free by 2026	Achieve consistent net profits and living costs control to be debt free by 2026
	Having enough money for hobbies, holidays and gifts	Doing the things that are important to our family	Keep basic living costs to <\$50K per year	Debt free by 2026	
<b>Production</b>  <i>(soils, plants, animals, quality, resilience etc)</i>					
<b>Environment</b>  <i>(water, climate, biodiversity etc)</i>
